HON. SAMUEL M. RALSTON,
Governor of Indiana.

Dear Sir: In compliance with the requirements of Section 10 of the Indiana State Teachers' Retirement Law, we submit herewith our report as trustees of the Indiana State Teachers' Retirement Fund, for the year commencing August 1, 1915, and ending July 31st, 1916, together with the financial report of the treasurer of the fund.

Organization.

In conformity with the requirement of the Statute, the ex-officio trustees, Charles A. Greathouse, State Superintendent of Public Instruction, Dale Crittenberger, Auditor of State, and Richard M. Milburn, Attorney-General of State, and the appointed trustees, Benjamin F. Moore, Superintendent City Schools, Muncie, and Richard Park, County Superintendent of Schools of Sullivan County, met in the office of the State Superintendent of Public Instruction, for organization, on Monday, August 2nd, 1915, at 10 o'clock a. m., Mr. Greathouse presiding. The following officers were elected:

President, Superintendent Benjamin F. Moore, Muncie.

Vice President, Superintendent Richard Park, Sullivan.

Secretary, Superintendent Charles A. Greathouse,

State Superintendent of Public Instruction.

The above named officers qualified and each has served in the official capacity named throughout the year.

CHANGE IN BOARD.

Hon. Richard M. Milburn, Attorney-General of Indiana and an ex-officio member of the Board, died November 9th, 1915. Hon. Evan B. Stotsenburg, having been appointed as Mr. Milburn's successor, became ex-officio a Trustee of the State Teachers' Retirement Fund and has since served as a member of the Board.

Note: The item of \$950.00 expense includes the cost of all books, blanks, cases, typewriters, desks and other paraphernalia and equipment needed for starting the operation of the law. The actual expense of administration, outside of the purchases of permanent equipment necessary for operating the law, has been very small.

The receipts from earnings were \$530.53 in excess of the annual expenses. It was therefore unnecessary to prorate expenses to any of the units as is made possible by the provision of Section 9 of the law. No amount, therefore, is set opposite that item in reporting the expenditures of the several units.

The \$530.53 excess of earnings over expenses will be apportioned to the several units, whose teachers are paying assessments, as provided in Section 15, the per capita basis of apportionment being forty-eight and about eight-tenths cents.

Note: In some cases units were established too late for the withholding of assessments from payments to teachers. Such units show no receipts from assessments paid and teachers are charged with arrearages for the entire year. None of the units, except Evansville, have had any expenses under the law other than the refunded assessments to withdrawn beneficiaries.

In the case of Evansville, which is a transferred unit, annuities authorized under the 1913 law have been paid and charged to the Evansville unit.

Under the law no annuities or benefits authorized under this act can be paid prior to January 1st, 1917. The expense for annuities and benefits will, therefore, be very small for the coming year. We have therefore deferred making any estimate of amounts required by the several units for annuities and benefits during the year.

During the coming year none of the units will require any apportionment from the proceeds of the State school tuition tax.

The several units set forth in this report are not placed alphabetically because they are arranged in the order of their establishment by the Board.
